

English UK

About us

English UK is the national membership association of accredited English language teaching (ELT) centres in the United Kingdom.

We are the UK's largest and longest running English language teaching association, dedicated to raising standards in UK ELT since 2004.

We represent the UK's ELT sector nationally and internationally, promoting the highest quality in teaching and student services. We campaign on behalf of the industry for policies that will allow the sector to thrive.

A language centre can apply for membership of English UK once it has been accredited by the British Council's quality assurance scheme, Accreditation UK.

The Accreditation UK assurance scheme is run in partnership between the British Council and English UK.

Mission, vision, values

Our mission is to harness the collective energy of our membership to champion and advance UK ELT.

Our values: Community, inclusivity, integrity, responsibility, and sustainability.
