KEELE UNIVERSITY

Centrally located in England, Keele is in North Staffordshire between Manchester and Birmingham and only 90 minutes from London by train. Keele has the largest single site campus in the UK with over 600 acres of beautiful countryside, offering the benefits of a spacious campus setting, whilst still offering easy access to both town and city life.

Awarded Gold in the 2017 Teaching Excellence Framework and Joint 2nd in England for student satisfaction for Course and Teaching (Guardian League Table 2020), Keele is a forward thinking university that is continually investing in its teaching facilities to remain at the forefront of technological advancements (£45 million has been invested in our science facilities on campus).

Keele's reputation and area of expertise ranges across Medicine and Health Sciences, Humanities and Social Sciences and Natural Sciences, with each Faculty providing a diverse array of courses that deliver a unique and international learning experience. Keele University's medicine degree programme has been ranked 2nd England in the Guardian University Guide 2020, behind only Oxford and ahead of Cambridge. In the 2021 Times Higher Education World University rankings, Keele University's School of Psychology has been ranked in the Top 150.

In the latest Postgraduate Taught Experience Survey (PTES), the University was placed 3rd out of 61 institutions for postgraduate business courses including business, management, finance and accounting courses and attained an overall satisfaction score of 91%. Keele is proud that 97% of its research was deemed to be world-leading, or of international importance, in the Research Excellence Framework 2014. Keele delivers international excellence and impact in focused areas of research, throughout the Natural Sciences, Social Sciences, Health and Humanities.

OXFORD SIXTH FORM COLLEGE

Oxford Sixth Form College offers an environment quite different from that of a traditional school, with a teaching approach which is refreshingly interactive and informal.

The emphasis on small group work enables a clear focus on individual needs and learning styles and a variation of pace and emphasis, which helps students to approach their work calmly and objectively.

The support provided both by subject tutors and Senior Tutors is thoughtful and creative and students are encouraged to take an active part in the learning process through self-motivation, involvement, personal study and research.

Various extracurricular activities are offered enabling students to explore and develop the skills they will need in later life.

Our college is friendly, welcoming and a home away from home for young people of many different cultures. We celebrate and welcome the cultural diversity, ambition and global outlook that international students bring to the college and aim to give international students the best UK education experience
