Please see our customer service personnel for the class schedule.

Phonics (ages 5 – 6)

- ❖ Builds confidence by developing fluency in reading, writing and accuracy in spelling
- ❖ Teaches individual letter sounds and how they blend together to make words
- ❖ Develops students' motor skills and ability to form letters
- ❖ Enables students to learn the sounds and combine them to form words and construct sentences
- ❖ Engages through fun activities, songs, stories, actions and videos

Primary Plus (ages 5 – 11)

- ❖ Builds confidence in communicating in English
- ❖ Develops life-skills such as working together, problem-solving, critical thinking, discussion and presentation
- ❖ Develops reading and writing skills through phonics (Levels 1 – 3)
- ❖ Encourages students to develop their creativity through projects and activities
- ❖ Provides access to the Primary Plus online portal for additional learning opportunities to complement the classes
- ❖ Provides regular updates on work done in class through weekly parent emails

Upper Primary (ages 10 – 12)

- ❖ Introduces children to higher order thinking skills such as problem solving, analysing, evaluation and creativity
- ❖ Encourages interaction, teamwork and communication
- ❖ Develops independence through self-reflection and self-evaluation
- ❖ Builds study skills transferable to school and higher education
- ❖ Termly skills-based assessments focusing on writing and speaking

Lower Secondary (ages 13 – 15)

- ❖ Focuses on skills needed to excel in exams as well as practical life skills
- ❖ Builds confidence and improves social skills through communicative lessons and group projects
- ❖ Cultivates a deeper understanding of the language through analysis and evaluation
- ❖ Encourages expression of opinion and fluency in discussing various topics at length
- ❖ Provides highly individualised experience through self-evaluation and individual feedback

Secondary Plus / IGCSE Preparation (secondary age students)

- ❖ Builds confidence and skills to tackle the IGCSE with exam-oriented tasks
- ❖ Promotes clear understanding of the assessment criteria and develops exam techniques
- ❖ Provides practice in communicating clearly in speaking and in writing
- ❖ Cultivates a deeper understanding of the language through analysis and evaluation
- ❖ Improves accuracy in writing a range of genres essential for exams
- ❖ Develops the ability to present and articulate thoughts cohesively

Upper Secondary (ages 16 – 17)

- ❖ Focuses on academic English
- ❖ Develops vital skills for university studies, such as language accuracy, independent learning and confidence
- ❖ Offers group tasks designed to develop social skills and the ability to work in a team
- ❖ Motivates and challenges with tasks such as conducting research, debating and negotiating
- ❖ Improves confidence in speaking through communicative activities and presentations
- ❖ Provides regular opportunities to receive individual feedback and self-evaluate progress

PROGRESSION

Why study with the British Council?

The English teaching experts you can trust

Over the past 75 years, more than 100 million people in 100 different countries have learnt English with the British Council.

Our experience, our scale and our people are why you can count on us. We ensure our courses are always the highest quality and meet the most demanding professional standards. These strengths mean you will always be in safe hands.

Create a better future for your child through English

Give your child a head start in life by learning English with us and providing a solid foundation for future success. Better English opens the door to a better education and getting your child into the best universities; both here and abroad.

Equip your child with skills for life

Not only will your child learn English, they will also develop creativity, critical thinking and self-confidence. The British Council's holistic approach to learning ensures your child's personal, social and emotional development.

English courses of the highest quality

Our courses are designed to guarantee effective, interactive and fun lessons for your child. Termly assessments and report cards will provide you and your child with a sense of progress throughout the course.

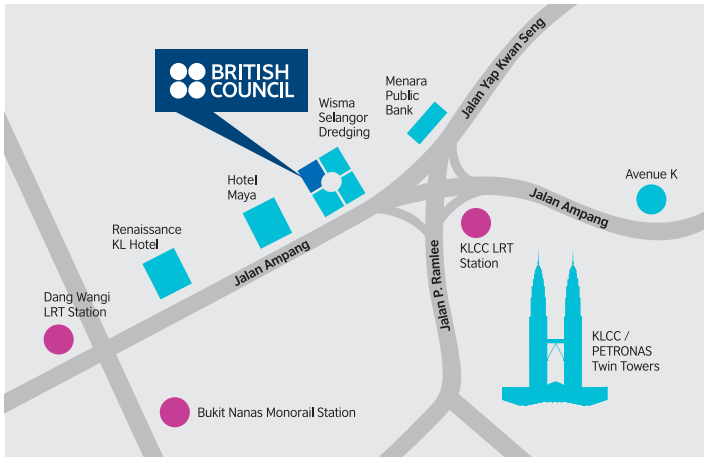

The best English teachers in the world

We only employ highly qualified and experienced English teachers. They also bring a vast amount of cultural and teaching experience from around the world into your child's classroom. We provide continuous professional development to all of our teachers globally, to give your child the best possible learning experience.

Connect your child to the world

Through our global network we can connect your child to the world outside of Malaysia.
